RE: Gautier Mullet Festival

Dear Council Persons,

Please find enclosed check in the amount of \$6,000.00. We respectfully request that this amount be utilized for a gazebo to be constructed on the completed site of the new nature trail at the Gautier City Park. If this nature trail is not completed in one year, the second choice utilizing these funds would be to build a small children's play area.

These funds were solicited from generous sponsors who were informed of our goal to contribute a project for the City of Gautier from this volunteer committee. These sponsors will be looking forward to seeing the completion of this project in the near future.

Also please find attached of items purchased by this committee. These items are contributions to the Mullet Festival Committees and to the City of Gautier.

Sincerely,
/s/ Alice Cox

ATTEST:

CITY CLERK

CONSIDERED AND ADOPTED at the meeting of July 19, 2005, by the Mayor and Council of the City of Gautier, Mississippi.

Decision Paper

DATE: 8th June 2005
TO: Mayor and Council
THRU: Christy Wheeler
Ralph Hode
FROM: Ralph Cooper

Subject: Request a hearing date be set for abatement proceedings for sub-standard conditions of property located at lot 130 Melody Drive, Gautier, MS

Recommendation: That a hearing date be set for August 2, 2005

Discussion: The ownership of this property is in transition, but the new owner has been notified verbally and by Certified Mail. The lot it's self has a very large dug out man made pond which in it's current condition is a definite health and safety hazard as shown in the attached photos. Local children hae been playing around and even inthe pond itself. Luckily there has been no sickness or fatality but this could and more likely will happen if action is not taken.

We are recommending therefore, that a hearing date be scheduled, due notice given to owner, once again and a final opportunity be granted for assurances that some action is being taken to abate the property. Failing this, it would be the recommendation of this office that the property be abated by cleaning the lot of all trash and debris and the filling in of the stagnate pond, and the cost of doing so be charged as a lien against the property, plus 25% administration fee.

There came on for consideration of the Mayor and Members of the Council of the City of Gautier, Mississippi, the following:

Decision Paper

DATE: 8th June 2005
TO: Mayor and Council
THRU: Christy Wheeler
Ralph Hode
FROM: Ralph Cooper

Subject: Request a hearing date be set for abatement proceedings for sub-standard conditions of property located at 3517 Bonita Rd. and 3503 Mackerel Dr.

Recommendation: That a hearing date be set for August 2, 2005

Discussion: These two properties are both own by Mr. Eric Minor. He rents the lots to other individuals for mobile home placelments. In the past few years this are has become unkempt and staff feels, must be addressed now before it gets worse.

Mr. Minor has been informed of the intended action by the City, both verbally and by Certified Mail. Mr. Minior showed a willingness to have his tenants comply therefore we allowed him an additional 30 days to do so, but as of this date staff has not heard from Mr. Minor, nor has any clean up been done to either properties.

We are recommending therefore, that a hearing date be scheduled, due notice given to owner once again and a final opportunity be granted for assurances that some action is being taken to abate the property. Failing t his, it would be the recommendation of this office that the property be abated by the cleaning of the lots and the removal of derelict, junk or inoperable vehicles and parts thereof, and also the removal of all other trash and debris, and that all cost of doing so be charged as a lien against the property, plus a 25% fee.
